The National Climatic Data Center (NCDC) sells all newly revised Federal Meteorological Handbooks (FMHs) and National Weather Service Observing Handbooks (WSOH=s). Handbook charges include any updated pages during the next five years or until the issue is totally revised again. Orders for handbooks will automatically include all updates that have been published since the revision up to the time of the order. To place an order through the National Climatic Data Center, please use the order form on the back side of this sheet.
